## Frog Falls at Picatinny Arsenal

The certified lifeguard staff at Frog Falls as well as Camp Jefferson's two certified camp lifeguards, counselors, and directors will take good care of your child and exercise all safety measures to ensure that he/she has a great time and is safe in and around the water at Frog Falls.

Frog Falls Aquatic Park boasts Otter Oasis – six lap lanes in a large heated leisure pool; Picatinny Pikes - two high-velocity water slides only for people 48 inches or taller; The Lazy River – float around in inner tubes; and Tadpole Cove -- a spacious kiddie pool.

To ensure peace of mind for all parents/guardians, the Park staff tests each and every child in attendance for their swimming level and gives them each a colored wristband indicating where they can and cannot be. Campers must pass Frog Falls' swim test in order to go into the swim lanes (deep end), on the water slide, and in the lazy river. Non-swimmers will remain in the shallow end of the pool or Tadpole Cove. Further, camp counselors strictly enforce Buddy Checks.
